

V-Tag Active RFID The industry's most powerful mesh network tags

## V-Tag Asset Tag Short, 1 year Replaceable Battery

InfinID Technology's smallest profile mesh network V-Tag Short Asset offers both compact form factor, as well as versatile design. Designed for assets that offer the very smallest of real estate profiles, this tag can be attached with either adhesive tape or zip-tied on like a toe-tag. This V-Tag Short, comes with a 1-year battery life that is replaceable. The size of this V-Tag is only 2" X 1.25" X .50". The weight is a mere 1.25oz. The Short tag also featured on this tag is a beeper as well as sensors for shock, accelerometer and battery level.

### Advantages:

1. Harnessing the power of mesh networking
2. Slim form factor perfect for electronic devices
3. Impressive battery life
4. Software activated Beeper
5. Temperature sensor with active alerts
6. Simple custom software integration
