V-Tag Model Short, 1 year Replacdable Battery INF-VT100-SH

V-Tag Active RFID The industry's most powerful mesh network tags

## V-Tag Model Slim, 1 year Replacdable Battery

The V-Tag Slim Asset tag offers the perfect compromise between slim profile and compact design. This tag is ideal for placing on assets that require extreme thinness without taking up a lot of extra real estate. This V-Tag Slim comes with a 1-year battery life that is replaceable. The size of the slim V-Tag is 4" X 1.33" X .35". Also featured on this tag is a beeper as well as sensors for shock, accelerometer and battery level.

### Advantages:

1. Harnessing the power of mesh networking
2. Ruggedized tag is perfect for outdoors
3. Attached with screws, zip tie or adhesive
4. Software activated Beeper
5. Temperature sensor with active alerts
6. Simple custom software integration
