6 Year Asset V-Tag Standard (INF-VT100-A6)

V-Tag Active RFID Tags
powerful mesh network tag

V-Tag Standard Asset Tag, 6 Year Battery

InfinID Technology's most popular ruggedized, indoor V-Tag. The V-Tag Standard Asset tag comes with a 6-year battery life that is replaceable. The size of the outdoor asset V-Tag is 2.75in x 2.25in x 1.25in and the weight is 1.90oz. The Standard Asset tag also comes equipped with a beeper which can be activated remotely via software. Also featured on this tag are our standard sensors for measuring shock, temperature as well as battery level.

Advantages:

1. Harnessing the power of mesh networking
2. Ruggedized design for indoor environments
3. Superior battery life of 6 years that is replaceable
4. Software activated beeper
5. Temperature sensor with active alerts
6. Simple Custom Software Integration
